Governmental Accounting and Auditing Update*

Your FY2025-26 financial statement and single audit are impacted by many changes on the federal level as well as substantial changes included in the AICPA's GAS/Single Audit guide. In addition to recent GASB statements (101-104 for 2026 and 105 for 2027), implementation of new Risk Assessment and Quality Management Audit Standards change how audits are done and quality managed. Get insight into these standards as well as changes implemented by MDE impacting FY2025-26 audits. You will also receive an overview of the expected changes to the 2026 Compliance Supplement and how revised Uniform Guidance implementation will impact grants management and the audit process.
